

MISSIONARY POSITIONS

QUOTES ABOUT MOVIE

"This movie is a courageous look at what most people see as glamour. These guys seek answers to questions that we don't want to talk about. I love it!"

Rob Beckley / Lead singer of Pillar- www.pillarmusic.com

"This is a story of passion and heart about an important subject. It is one of those films you may not want to see, but a film you should see and a film you are glad to have seen once you've seen it."

Michael Miner – Screenwriter (Robocop/Anaconda)

***"Missionary Positions* is honest and raw - it is a true life account of two guys embracing a calling to do something courageous. The movie challenges every follower of Christ to think about where Christ would be and what He would be doing to bring the gospel to a lost world."**

Bernie Anderson / Senior Pastor- The Seventh-day Adventist Church of DeSoto.

"In the day and age of reality TV and the merchandising of women, this movie breathes life into that dead world and captures two men on a mission with humor, passion, and truth. This is incredible."

Dave Tosti / Lead singer of pax217
